Spiral's Mission:

Empowering potential and equality through growth,
innovation and community support.

Spiral will achieve our goals by providing a
holistic support through cooperation, sustainability
and being the provider of choice for people on the
Sunshine Coast.

Valuing Individuals

Personalised Support Framework

Person centred planning and support processes
Facilitating personal independence and growth
Facilitating and strengthening a network of natural
relationships and opportunities

Individual Plans and Goal Development

Mentoring / Facilitation of goals and aspirations
Individuals' plans unique in design and presentation

Self-Directed Approach

Enabling personal autonomy
Exercise of choice and control
Honouring individuality

Social and Rights Based Model

Promoting equality, empowerment and resilience
